Local Board Plans are still open for a few more days, it is worth while looking at the Auckland Council website under Have Your Say for the Maungakiekie/Tamaki Local Board draft plan for the coming year to see if any comments may be needed to enhance the support of social services in the area.

Our talk last month for Health and Wellbeing for Senior Citizens and retirees was extremely successful. It was well attended, and the feedback on the two speakers and the kai provided was very positive indeed.

This is my last newsletter, as I leave ODCOSS at the end of August. I am now the President of the Maungakiekie Rotary Club, and because of this will no longer have the time to put into the running of ODCOSS.

Hope to see you all 16 August.

Nga mihi

Jeanette.
